LEADERSHIP OPPORTUNITY!

ACBH is looking for an experienced leader and licensed clinician to serve as our Assistant Director of Forensic Outpatient Services. This is a provisional appointment.

The Assistant Director will be part of the leadership team for the Forensic System and will play an important role in re-imagining and re-designing behavioral health services for justice-involved clients.

The Assistant Director will help ensure that our clients have timely access to appropriate care and work closely with our forensic in-custody services to support continuity of care as our clients re-enter the community.

A description of the position and the required minimum qualifications can be found here:
[County of Alameda \(jobapscloud.com\)](https://www.jobapscloud.com)

ACBH is committed to re-envisioning its accessibility of community-based services; and ensuring high quality, holistic, and client-centered care on behalf of its beneficiaries. We are currently recruiting for a proven leader who will partner with our team members to work in collaboration with our diverse community stakeholders in support of our mission, vision, and values.
