- Location: **County of San Diego, CA**
- Compensation: **\$103,958.40 - \$106,558.40 Annually**

Provide a wide variety of professional mental health and case management services to inmates with psychiatric disorders. In this position, you will conduct clinical assessments and develop treatment plans within a medical/psychiatric treatment program to patients presenting a varied array of psychiatric/psychological/substance use issues.

Qualifications

1. Current licensure by the State of California as a Clinical Social Worker (LCSW), Marriage, Family and Child Counselor (MFCC), Licensed Marriage and Family Therapist (LMFT), Licensed Professional Clinical Counselor (LPCC), or Clinical Psychologist
2. Possession of a master's degree from an accredited graduate school in social work, psychology, counseling or a closely related field
3. At least two (2) years of full-time, post master's degree experience in a mental health program providing counseling and crisis intervention to adults under clinical supervision.

Working Environment

- Work primarily takes place in an office environment within a locked detention facility
- Involves frequent contact with persons who are inebriated, uncooperative and/or emotionally disturbed
- May be exposed to infectious illnesses and to inmates whose behavior is unpredictable and occasionally violent and combative
- May involve daily travel to various locations throughout San Diego County

Background

- Felony convictions will be disqualifying
- Misdemeanor convictions may be disqualifying depending on type, number, severity, and recency
- Must have a reputation for honesty and trustworthiness
- Prior to appointment, candidates will be subject to a thorough background investigation which may include a truth verification examination or test
