

Forensic Mental Health Association of California

Meeting Minutes

February 6, 2007

Opening:

The regular meeting of the FMHAC was called to order at 10:15 am

A. Financial Report

Reviewed financial situation

Grants: all have been submitted

B. Conference

Jay Adams cancelled. Looking for replacement – perhaps Ken presenting Treating and Managing the SVP

AV options: projectorstogo.com or The Projector People

Online registration: it's quite difficult to design a system and is going slowly.

Discussed on-site schedule.

CME: we haven't been able to get a sponsor for this year but will continue to work on it. Are looking into FMHAC becoming a provider itself. If we become a provider, we could also provide psychologist CEUs through the IMQ – however, Jo does not recommend this as it wouldn't allow out of state psychologists to receive CEUs from FMHAC and it would also require the psychologist classes be medically oriented.
